PARKING

When visiting the Office of Admissions and Financial Aid, please park in the lot on Lydecker Street, which you enter from the intersection with Speer Avenue. The Office of Admissions and Financial Aid is located in Chilton House, which is the building on the right as you walk up the path.

During peak traffic times, from 8-9 am, there is too much traffic for a safe turn from Lydecker Street onto Speer Avenue. In this case, simply follow the traffic around the block and approach the Lydecker lot from the east (i.e. coming down Speer Avenue).

If your child is visiting in the fifth-seventh grades in Morrow House, you will need to drive past the Little School on Lydecker Street and up the hill. Lydecker Street changes to Next Day Hill Drive at this point and you will find Morrow House at 480 Next Day Hill Drive at the crest of the hill. Please park on Next Day Hill Court, which is directly across from the School's driveway.
