# Dear EMS Community,

The 2018-2019 school year was an important one in planning the future of The Elisabeth Morrow School. On behalf of the Board of Trustees, I am happy to report that we were able to achieve significant milestones. The Board unanimously selected Dr. Maureen Fonseca to be the seventh permanent Head of School for EMS. As we approach our 90th Anniversary, Maureen brings new leadership and vision to our school. Many of you may have met her by now and experienced first-hand her

deep respect for the EMS mission, values, and traditions. The smooth passage from Interim Head of School Dr. Judy Fox to Maureen speaks volumes about the many people who ensured this successful transition. We owe them all our gratitude.

I am honored to serve as the Board President with a deeply committed group of Trustees, especially during this vibrant time of growth. We have great confidence in the faculty, staff, and leadership at EMS, and know that our school is well positioned to serve our community today and in the future. Schools today must be flexible and willing to adapt to meet the evolving needs of the communities they serve, while preserving the culture, traditions, and signature programs that make them special and beloved. It is because of everyone's collective efforts and support that we are achieving these goals. We are a diverse and engaged community that is accomplishing many great things together.

The Apple Tree Fund flourishes year after year through your participation and gifts. I'm thankful of the many ways everyone in The Elisabeth Morrow School's community supports our school. On behalf of the Board of Trustees, I thank our donors and volunteers alike for being passionate about our school and giving so generously of their time and resources in service to all our students. Your active engagement helps us keep EMS thriving and preparing our students with the strong academic foundation, curiosity, kindness, and character to lead full, rich lives.

You are The Elisabeth Morrow School. Thank you in advance for your continued support!

Warmly,

Hanita Walia

*President, Board of Trustees*

# Dear **EMS Community,**

I deeply appreciate your generous support of The Elisabeth Morrow School over the past fiscal year. Your contributions have enabled us to provide the resources needed to continue to improve our programmatic offerings and enhance our position as one of the leading schools for students from age three through eighth grade. Your gifts continue to directly support our students, allowing EMS to provide the highest level of engagement and excellence. To the entire EMS community: whether you have given your time, talent, treasure—or all three—we are profoundly grateful. You are helping us educate the next generation of curious scholars, global citizens, and ethical leaders.

The Elisabeth Morrow School is so much more than a school. We are a community, steeped in tradition and built on enduring core values, such as the 4 C's. The diversity of our community is rich, a microcosm of the world around us that is informed by the global world-view our students develop during their educational journey at EMS. The ethos of deep caring for each individual child provides the backdrop for our faculty, as they work to create and implement the exemplary academics and transformative student experiences that are the hallmarks of the EMS experience. We help our children aspire to new heights, as they, in turn, strive to explore and develop their full potential. *This* is what sets The Elisabeth Morrow School apart.

Reflecting on our progress over the past fiscal year in the pages of this annual report, we also look ahead with pride and joyful anticipation, as we prepare to celebrate a significant milestone for our school next fall: the 90th Anniversary of EMS! These are exciting times here at The Elisabeth Morrow School, and I am so pleased to partner with you to strengthen and enhance our shared vision.

Warmly,

Maureen Fonseca, Ph.D.  
*Head of School*

# Named Endowment Funds

Endowment funds add to the long-term financial strength of The Elisabeth Morrow School. Only a portion of the yearly income is used while the principal remains intact and growing. We thank our endowment donors for recognizing this important school priority.

## Molly Anderson Fund

The Molly Anderson Fund was established in memory of this wonderful woman who was Miss Chilton's right hand at Morrow House. The fund provides financial aid for children of faculty members who attend our school.

Mrs. Susan Alpern-Fisch '71  
Mr. David Anderson and Ms. Jean Anderson

## Ed and Nancy Barr Fund for Faculty Development

Nancy and Ed Barr, parents of Christopher '88 and Andrew '91, established this fund in recognition of our excellent teaching staff and to support ongoing faculty development.

## Anne Moloney Black '57 Endowment

Anne Moloney Black '57 established this endowment in 2014 to provide tuition assistance for up to two children. Special consideration will be given to qualified students who have lost a parent. Anne, who lost her own father in World War II, believes EMS' focus on the joy of learning and the 4 C's helped form the cornerstones of her life and served her well over the years. She hopes this fund will provide others with a similar experience.

## Michele Bower Scholarship Endowment

Established in 2013 by the Scherl family, this endowment recognizes the influential role that Mrs. Bower plays in EMS students' successes. It supports tuition aid.

## Darryl Anne Burnham Memorial Fund

The Darryl Anne Burnham Memorial Fund was established by the Burnham family in 1999. It provides annual tuition aid for a fourth-grade student who would otherwise not be able to share in the EMS experience. The school thanks the Burnham family and those who honor Darryl's memory.

## Richard A. Davies Teaching Endowment

Established in 1988 to honor former Head of School Richard A. Davies, this endowment provides faculty development funds to foster the values he so cherished: the love of learning, sense of self-worth, and commitment to community.

## Gloria Dunn Endowment Fund

This endowment was established in 2015 through a generous bequest from Gloria Dunn, a beloved and longtime teacher at EMS. This fund will both honor Mrs. Dunn and provide tuition assistance.

## Graham-Johnson Endowment Fund

Established in 1976 with a donation from an anonymous benefactor, the Graham-Johnson Endowment honors former EMS teachers Susan Graham and Janet Johnson. Miss Johnson was a founding teacher at EMS and is remembered as one of the "pioneers" of the time. She taught nursery for more than 40 years. Miss Graham was appointed in 1930 by the school's founder, Elisabeth Morrow. She was head kindergarten teacher and Chilton House

librarian. She began the “cocoa parties,” a tradition that continues today. On their retirement, Constance Chilton commented, “These two teachers won the admiration and affection of their colleagues through their dedication and talents. Their understanding and skill with four- and five-year-old children endeared them to hundreds of students. They will always be held in the highest esteem by all who know them.” This fund appropriately benefits faculty compensation.

**Mary Hawkins Memorial Fund**

Mary Hawkins was a Chilton House teacher for 24 years and was revered for her

dedication to young ones and their education. Her family established this fund in her memory to provide tuition aid for faculty children at EMS.

Ms. Elizabeth Cahill

**Stephen P. Jones Endowment for Faculty and Staff Compensation**

Parents, students, faculty, alumni, and friends of former Head of School Stephen P. Jones established this endowment fund upon his retirement. The fund supports faculty and staff compensation.

Mrs. Suzanne Jones

**George Penny Fund**

This endowment fund was established in 2000 to honor sixth grade teacher George Penny, who taught at EMS from 1981 to 2013. Students referred to Mr. Penny as a friend and an incredible teacher who challenged them through his unique instructional style. This fund provides financial aid for faculty children at EMS.

**Lee Starr Technology Education Endowment**

Established in 1999 by the Toback family to celebrate the life of their cousin, Lee Starr, a teacher, this fund provides resources for the school to acquire cutting-edge technology in support of student learning.

# Dear **EMS Community,**

It brings me great pride and joy to look back on the 2018-19 school year and realize all that the Parents Association has done to foster the close sense of community at EMS that we cherish and enjoy. From

the Welcome Breakfast on the first day of school to June's Faculty & Staff Appreciation Luncheon, there was always an event being run in support of the PA's mission: to build and strengthen ties within our community, educate and engage parents, show support and gratitude for our faculty and staff, and give to the school financially.

We added a new PA committee, the Green Committee, to help focus efforts to make the school and our lifestyles as eco-friendly as possible, and our Health & Wellness Committee organized our first Family Fitness Fun Day complete with a timed 5K race, fun runs, and even a dog walk. Other highlights included our Storytelling Festival, where we had workshops with professionals in stop-motion animation, sports broadcasting, illustration, and pop-up art classes for the children, plus the three visiting authors who presented their craft to student assemblies. Our Book Fair, with its new set-up, had many traditional favorites, like the raffle table, café, school store, and library gift books. Our Community Service Committee sponsored events including: the Halloween Costume Drive, All Wrapped Up holiday gift donations, a group outing to see the Blue Man Group, lectures by doctors from Child Mind Institute and Englewood Health's Graf Center, and a golf tournament for parents on a beautiful May day.

And none of that even touches on the in-class help we provided: social get-togethers, Chilton House library reading, and Little School car line greeting that would not have been possible without the tireless efforts of our engaged parent body. As a result, the PA was able to give \$15,000 to the Apple Tree Fund in June. We also made several targeted donations in honor of departing administrative members:

- \$1,000 to Professional Development in honor of Dr. Judith Fox, Interim Head of School;
- \$1,000 to our School Libraries in honor of Tricia Eickelberg, Director of Early Childhood Programs;
- \$1,000 to the Eighth Grade Leadership Symposium in honor of Paul Baly, Middle School Head; and
- \$1,000 to the PA's Speaker Series in honor of Phyllis Perskie-Kessler, Director of Parent Relations.

We owe a huge thank you to last year's PA Executive Board, committee chairs, class parents, and volunteers. Together, we keep raising the bar on what the PA offers our community, and without their commitment and energy, none of it would be possible.

The PA Executive Board is looking forward to another exciting year as we work with Dr. Maureen Fonseca, our new Head of School, to advance the strategic plan and support the school's mission in ways that best fit the needs of our current families. Volunteering for the Parents Association will help you feel connected to this special place and enable you to actively contribute to the success of the school. We encourage you to get involved in any way you can. Thank you!

Warmly,

Melanie Weinraub  
*PA President*

# 2019 Disco Ball: EMS Auction Gala

On Saturday, May 11, at The Rockleigh, The Elisabeth Morrow School hosted the 2019 Disco Ball, our annual Auction Gala, to raise financial support for our students and teachers. The evening celebrated the 15th anniversary of the founding of the middle school and honored Tricia Eickelberg, Director of Early Childhood Programs, who retired in June. Guests enjoyed cocktails and a silent auction, followed by a sumptuous dinner, a live auction, and, of course, dancing. DJ Prince Hakim, son of Robert "Kool" Bell, founder of the legendary Kool & The Gang, was spinning disco classics all night long. Capping off the evening was a special late-night lounge.
